31 March 2025

Dear families,

Year 11 Countdown to the summer exams 2025
Computer Science GCSE Revision Events

In preparation for the computer science exam on Monday 12 May (paper 1) and Tuesday 20 May (paper 2) there are some online revision sessions available through the Isaac Computer Science website that would be a great addition to the computer science student's revision programme.

These sessions are after school, and students sign up to the sessions through the website. All students have a login for the website to be able to do this.

Here are the details of the sessions:
Isaac Computer Science Exam Booster events – book through the website. https://isaaccomputerscience.org/
- Binary conversions and addition – Wednesday 2 April 5:00-6:30pm
- Programming – Selection – Monday 7 April 5:00-6:30pm
- Bit shifting and Hexadecimal – Wednesday 9 April 5:00-6:30pm
- Programming – Loops – Monday 14 April 4:30-6:00pm
- Networking fundamentals - Wednesday 16 April 4:30-6:00pm
- Searching algorithms – Monday 21 April 5:00pm-6:30pm
- Networking communications & connections – Wednesday 23 April 4:30-6:00pm
- Programming – Arrays, strings & records – Monday 28 April 4:30-6:00pm
- Images & sound – Wednesday 30 April – 4:30-6:00pm
- Boolean Logic – Tuesday 6 May 5:00-6:30pm
- Systems Architecture – Wednesday 7 May 4:30-6:00pm

If students don't have access to a computer at home to be able to do these sessions during term time, then please get in touch via the email below and I can support with supervising the students during these sessions.

Yours sincerely

Mrs J Orton
Senior Vice Principal
